Scuba Diving

Magnetic Island has many ship wrecks and fringing reefs. Perfect for a dive close to shore or take the time to head to the Great Barrier Reef.

Sightseeing

Whether you're walking, cycling, on a scooter, bus or car, boat or in the air, there's always a hidden bay and beach to be found. See if you can find all 23!

Snorkeling

Step out of the car and take a minute to swim to some great snorkeling spots at the [Nelly Bay and Geoffrey Bay Snorkel Trails](#)

Arthur Bay and Florence Bay are also favourites if you want to get off the beaten track.

Tube Rides

Hold on and lets GO! Perfect fun for kids who need a bit of adventure.

Waterfall Exploring

When wet season arrives, Magnetic Island comes alive with [waterfalls](#) . Endeavour Falls in Arcadia is a the popular spot.

Wind/Kitesurfing

The old Nelly Bay Hellipad, (on the way to Base Backpackers), is the spot where you'll often

catch the wind and some fun kitesurfing. Just check tide levels to make sure you're safe from the coral reef below.
