The history

On Sunday 15 August 2010 a forum was held at Peppers Blue on Blue to help establish a new tourism organisation for Magnetic Island. Although a previous organisation had flourished many years earlier, and the Magnetic Island Community Development Association (MICDA) had also done a significant amount to promote tourism on Magnetic Island, it was obvious a dedicated organisation was needed.

Notes from the forum held at Peppers Blue On Blue outlines the topics and comments from the floor and panel who included:

- Stephanie Hunt – Townsville: Solar Cities
- Jo Peterson – Queensland Parks and Wildlife Services
- Libby Evans-Illidge – Resident and MICDA representative
- Douglas Hayward – Townsville City Council
- Racheal Allen – NQ Dry Tropics
- Vicki Bonanno – Great Barrier Reef Marine Park Authority (GBRMPA)

From this meeting TOBMI (Tourism Operators and Businesses Magnetic Island) was formed in late 2010 which later changed it's name to Tourism Magnetic Island in mid-2017.
