The Magnetic Island Film Society (MIFS)

The Magnetic Island Film Society MIFS was established to bring recently-released high quality Australian and international films to the island that would not normally enjoy a run on the commercial film venues in Townsville.

MIFS also runs the **Annual Magnetic Island Film Festival which is held over the Labour Day holiday long weekend** (the first weekend in May). Five main feature films are shown over the three days with each main film being preceded by a selected award-winning short film.

Membership and admission:

MIFS annual membership fee is \$50 for individual adults (this includes a shared membership for two "partnered" adults) and \$40 as a concession rate. This entitles members to free entry to the monthly screenings, which cost non-members \$10 or \$8 for concession tickets. (Rates subject to review).
