[!! NEW YEARS EVE on MAGNETIC ISLAND !!](#)

Magnetic Island is once again bursting at the seams for things to do this NYE and NYD. [Find out all the info here](#), and if you're planning to stay, book today!

Please don't drive on the beaches

- it's turtle nesting, breeding and hatching season! (Nov to Jan)

If you encounter a female turtle on the beach please be very careful not to disturb her, and **let her nest in peace**

Turtles are easily disturbed by light, noise and movement.

Simply call QPWS on **4778 5378** and assist Rangers to locate the turtle nesting site. This ensures the site will be monitored and protected if it's in a vulnerable area such as near a road or close to street lights.

- Thank you. :)
