

Being a cadet with the Magnetic Island Navy Cadets Unit allows you to make new friends and be part of a team that values you while experiencing challenges that develop your potential as a leader. Adventure and fun are the key ingredients for all camping, water sport and team challenge activities.

Cadets learn how to sail, navigate and gain skills in everything from information technology, communications, cooking, first aid to drill, seamanship and many more exciting activities.

At Navy Cadets we build teamwork and leadership skills in our young people through exciting and rewarding adventure and maritime activities and quality learning opportunities.

Cadet Officers and Instructors are volunteers with a keen interest in working with and developing the youth on the island. Just add water for fun, adventure and friendship. The Magnetic Island Navy Cadets have oceans of it!

So we invite you to come along and enjoy a great meal at the food stalls, fun and games and demonstrations plus recruitment packs will be available. All kids from the ages of 12½ years to 17 years are eligible to join – all ages welcome to come and join in the fun. Staff, volunteers and Unit Support Committee members are needed too!

WHEN: January 26th 10am to 2pm
