

The Magnetic Island golf course is set in a back drop of rugged hills strewn with boulders and lush vegetation and backs on to the World Heritage National Park. Open 7 days a week, the Magnetic Island Country Club is Magnetic Island's only golf course.

The course offers all levels of ability a challenge, particularly the long hitter. The fairways are grassed and the greens although small compared with bigger courses are also grassed and can be tricky dependant on the pin placements!

- Hire Clubs
- Electric Cart Hire
- Corporate Golf Day Packages
- Night Golf
- Function Facilites

With a club house is steeped in old world island charm and full bar facilities, you're bound to enjoy a day on the green.
