

There are many benefits to living on Magnetic Island. Some are obvious such as the fresh sea air, a relaxed and friendly community, 'island time', plus a fantastic outdoor tropical lifestyle.

Some of the other less obvious benefits are:

- Registration concessions for island vehicles - although if you need to take your vehicle to the mainland, you will just require a notice from the [police station](#) which is very easy to organise.

- Island residents can get a vehicle concession with Fantasea Cruising Magnetic, plus you can also get a 10 trip discount card.

- Island children go to school in Townsville on free ferries and buses

- Sealink offer a discounted monthly pass as well as a Flexi ticket. The Flexi ticket contains 10 trips at a discounted price from the single ticket fare.

Contact [Sealink](#) for any other island concessions which may apply.

- Tax zoning allowance

- It's a very safe place for children to grow up

- Kids are not near shops so they save money and they learn to entertain themselves in other, more creative/active ways .

- There is a government allowance for children living in Horseshoe Bay who go to boarding school on the mainland.
