

Would you like to be able to tell your friends, family and customers about what's happening on Magnetic Island 24/7?

Do you want to encourage customers to book earlier and to stay longer?

Here's 3 easy ways:

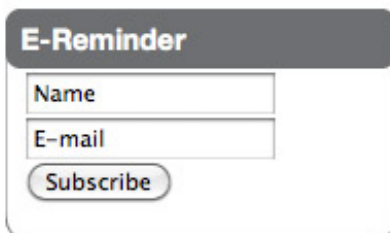

Click here to find out

whatsonmagneticisland
.com.au

1. Link up with us today!

Simply download our "click here to visit..." jpeg and insert the following URL into your website as your link:

<http://www.whatsonmagneticisland.com.au>

The image shows a sign-up form for an eReminder service. It has a dark grey header with the text "E-Reminder" in white. Below the header are two input fields: "Name" and "E-mail". At the bottom of the form is a rounded rectangular button with the text "Subscribe".

2. Join our eReminder service

Encourage them to sign up to our FREE weekly eReminder service, (delivered every Tuesday via email).

If you're in business this is a cheap way to stay in touch with your customers and to encourage them back.

3. Bookmark Us

What better than having all the information you need at your finger tips?

Your guests can now plan ahead by checking out the monthly calendar on the home page so they can catch the main Magnetic Island events and book ahead!

Are you listing a feature event which could be considered for the home page? If your event is annua, unusuall or a feature Magnetic Island event, [send us all the details](#) (including a good quality image), so that we can consider it for the home page main event listings.

Are you producing flyers and advertising for your event? If you're creating posters and advertising for your event, you can add the [What's On logo.](#)

That way if you have any extra information which can't fit onto the poster, (or any last minute changes after your advertising and posters have gone out), people can be directed back to your 24/7 What's On listing of your event where you can update your event details - we'd also appreciate your support in promoting this volunteer managed MICDA site.
